The Hispanic Student Association (HSA) at Oklahoma State University was established in 1978 with the purpose of promoting awareness of Hispanic culture and to foster the development of social and educational opportunities for Hispanic students at OSU. OMA encourages superior scholarship, promotes leadership opportunities for its members, and participation in community activities which enhance the Hispanic tradition. OMA also promotes friendship and mutual understanding among all people, regardless of national origin or ethnic heritage.

Membership

Membership in student organizations are open to all Oklahoma State University students. If you are an enrolled student at OSU of Hispanic descent or interested in Hispanic culture, you may join.
